**I. JURISDICTION AND VENUE**

1. This Court has jurisdiction pursuant to:
  - 28 U.S.C. § 1331 (federal question)
  - 28 U.S.C. § 1343(a)(3) (civil rights)

- 42 U.S.C. § 1983 (deprivation of constitutional rights)
  - 42 U.S.C. § 1985 (conspiracy to interfere with civil rights)
  - 42 U.S.C. § 1986 (neglect to prevent such violations)
2. Venue is proper in this district under 28 U.S.C. § 1391(b) because the events or omissions giving rise to these claims occurred in this district and all defendants reside or conduct business here.
- 

## II. PARTIES

3. Plaintiff: Andrew David Lloyd Miller a resident of Minnesota, is proceeding pro se.
4. Defendant Molly Macone: An individual residing in North St. Paul, who acted jointly and/or under color of law with government agencies to deprive the Plaintiff of constitutional rights.
5. Defendant Washington County Child Support Division: A governmental entity located in Minnesota responsible for enforcement actions, including financial seizures and recordkeeping, acting under color of law.
6. Defendants John and Jane Does 1–10: Unknown individuals who accessed, altered, or disseminated Plaintiff’s private or sealed digital records and contributed to the deprivation of rights.
- 

## III. FACTUAL ALLEGATIONS

1. Improper License Suspension Without Due Process
- Plaintiff’s driver’s license was suspended by the Washington County Child Support Division without prior notice, adequate opportunity to contest the action, or a valid underlying legal justification.
  - This suspension occurred in tandem with ongoing legal disputes Plaintiff initiated in Washington County challenging the legitimacy of past child support enforcement actions and arrears calculations.
2. Retaliation for Asserting Legal Rights
- Shortly after filing motions and legal challenges in Washington County, Plaintiff was cited for “driving with a suspended license” and “speeding,” despite having no prior indication that their license had been revoked.
  - These citations appear to be retaliatory, occurring immediately after court filings that named Washington County actors and questioned the legitimacy of their conduct.
  - Plaintiff was denied any opportunity to resolve or clarify the license issue before punitive enforcement actions were taken, despite attempting to contact relevant departments.
3. Wrongful Enforcement of Child Support and Arrears

- Plaintiff has repeatedly contested the accuracy and legitimacy of the arrears and child support calculations, including overpayments and the wrongful garnishment or seizure of federal relief funds (e.g., COVID-19 stimulus checks and tax refunds).
- Defendants failed to correct or investigate these challenges, perpetuating financial harm and distress without valid legal basis.
- 4. Unlawful Seizure of Government Relief Funds
  - Plaintiff's federal relief payments were intercepted without due process, including without court hearing, notice, or evidence of valid ongoing support arrears.
  - These seizures occurred while Plaintiff was actively contesting the underlying child support enforcement actions.
- 5. Violation of Privacy and Digital Intrusion
  - Unknown actors (John/Jane Does) accessed Plaintiff's private or sealed legal and digital records, including communications, court documents, and possibly school documents involving Plaintiff's children.
  - This unauthorized access appears to have been used to interfere with Plaintiff's ongoing legal actions and may have been facilitated by or in coordination with known parties involved in the case.
- 6. Abuse of Process and Pattern of Targeted Harassment
  - The cumulative actions—including license suspension, retaliatory citations, unlawful garnishments, digital surveillance, and obstruction of access to remedies—form a pattern of abuse intended to harass, silence, and punish Plaintiff for seeking justice through lawful means.
  - These actions constitute not only individual violations but also a conspiracy to deprive Plaintiff of civil rights under color of law.
- 7. Failure to Intervene or Correct Harm (42 U.S.C. § 1986)
  - Officials and agencies with the power to investigate, intervene, or correct unlawful acts (including license reinstatement and financial harm) failed to act, allowing the harm to continue despite multiple written and verbal notifications from Plaintiff.
  - Their failure constitutes neglect to prevent known civil rights violations, in violation of 42 U.S.C. § 1986.

---

#### IV. CAUSES OF ACTION

Claim 1: Violation of 14th Amendment – Due Process & Equal Protection (42 U.S.C. § 1983)

Defendants unlawfully deprived Plaintiff of property (stimulus funds, tax refunds), interfered with parental rights, and upheld false records without meaningful opportunity to be heard or correct errors.

Claim 2: Violation of 4th Amendment – Unlawful Search, Surveillance, and Invasion of Privacy (42 U.S.C. § 1983)

Defendants and unnamed parties accessed private records, communications, or devices without authorization, warrant, or probable cause.

Claim 3: Conspiracy to Violate Civil Rights (42 U.S.C. § 1985)

Defendants conspired to alter, suppress, and misuse personal, financial, and legal information to damage Plaintiff's credibility and enforce wrongful penalties.

Claim 4: Neglect to Prevent Civil Rights Violations (42 U.S.C. § 1986)

Government officials and agencies who were informed of ongoing violations failed to act or intervene.

Claim 5: Retaliation and Interference with Protected Rights (1st Amendment)

Defendants acted in retaliation for lawful assertions of parental, religious, and free speech rights by suppressing or ignoring filings, and promoting false narratives.
